### WHAT'S HAPPENING THIS MONTH

**Women in Mining Canada's Trailblazer Nominations** are now open! The Women In Mining Canada Trailblazer Awards recognize women in the industry who have been bold and builders, fraying a path for women who are keen to also participate in the minerals and metals business and related activities. The nominations remain open until January 21, 2022 at 11:59 PM ET. Nominate Trailblazer today at: <https://members.wimcanada.org/women-in-mining-canada-trailblazer-award/>

Hosted by explorers for explorers, AME's annual Roundup conference is the mineral exploration industry's premier opportunity to connect, exchange ideas and inspire new exploration projects: Projects that are critical to a strong economic recovery, supplying materials for a climate-smart future, and sustaining vibrant regional communities for generations to come.

Let's grow WIMBC's presence throughout British Columbia!
