Empowering Women, Enriching Mining: Join the Movement at WIMBC

Introduction to Women in Mining BC

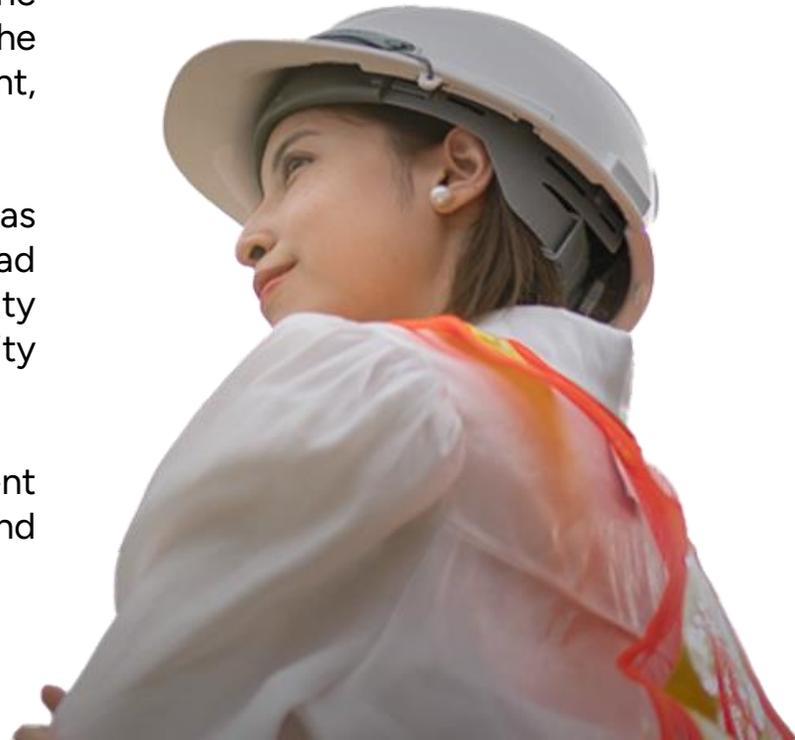

Empowering Women, Advancing Mining

Welcome to the Women in Mining British Columbia (WIMBC) chapter, a vibrant pillar established in 2010, fostering diversity and inclusion within British Columbia's mining sector. WIMBC and Women in Mining Canada (WIMC) share the common goal of advancing the interests of women in the minerals exploration and mining sector throughout the nation and beyond. Following closely on the heels of WIMC's inception in 2009, WIMBC embodies the spirit of camaraderie and empowerment, echoing all WIM Chapter's commitment to education, empowerment, and advocacy.

We're proud to offer free membership, opening doors to dynamic events, valuable resources such as mentorship programs, and job boards that cater to our diverse membership. Backed by a broad spectrum of industry sponsors, WIMBC champion change and work tirelessly to elevate the visibility of women in mining. Our combined efforts create an extensive network, supporting gender diversity and ensuring that our voices are heard across the global mining landscape.

Join us at WIMBC to be part of a forward-thinking community, where inclusivity and advancement are not just ideals but actions we undertake collectively. Let's collaborate to propel progress and achieve the extraordinary. Welcome aboard—let's drive progress together!

Acknowledgement & Appreciation

At Women in Mining BC, we are profoundly grateful for the sponsorship and support that fuel our mission. Every contribution, regardless of its size, is a step towards a more inclusive and diverse mining industry.

We also wish to recognize the many First Nations upon whose ancestral lands our work takes place in British Columbia. We honour your heritage and acknowledge your enduring relationship with these territories.

Your Support Matters

Whether you are looking to make a strategic impact or to elevate your brand, partnering with us at WIMBC offers a unique opportunity to advance gender equality and diversity in the mining sector.

Let's unite to forge a path of progress and empowerment.

Sponsorship Levels

Choose Your Impact

Women in Mining BC invites you to become a pivotal part of our mission for a diverse and inclusive mining industry. Our tiered sponsorship packages offer varying levels of engagement and recognition:

Some of our Sponsors

Pan American Silver is a leading producer of precious metals in the Americas, operating silver and gold mines in Canada, Mexico, Peru, Bolivia, Argentina, Chile and Brazil. We also own the Escobal mine in Guatemala that is currently not operating, and we hold interests in exploration and development projects. We have been operating in the Americas for three decades, earning an industry-leading reputation for sustainability performance, operational excellence and prudent financial management.

Wheaton Precious Metals is the world's premier precious metals streaming company with the highest-quality portfolio of long-life, low-cost assets. Its business model offers investors leverage to commodity prices and exploration upside but with a much lower risk profile than a traditional mining company. Wheaton delivers amongst the highest cash operating margins in the mining industry, allowing it to pay a competitive dividend and continue to grow through accretive acquisitions. As a result, Wheaton has consistently outperformed gold and silver, as well as other mining investments. Wheaton is committed to strong ESG practices and giving back to the communities where Wheaton and its mining partners operate. Wheaton creates sustainable value through streaming.

Driving investor engagement through creativity, purpose and honest communication. Investor relations from every angle. We are industry and sector-agnostic and support both private and public companies with their investor relations programs, corporate communications and corporate governance.

As a premier law firm with over 950 lawyers worldwide, Fasken is where excellence meets expertise. We are dedicated to shaping the future our clients want, precisely when it matters most.

Together, Let's Shape A More Diverse & Inclusive Future For Mining

Thank you very much for your time and consideration.
